Sponsor Application

Being a tribe sponsor is a huge honor for a staff member at Heart O' the Hills. It is a position that affords you very close relationships with campers of all ages and lots of additional responsibility. The notoriety attached to this position guarantees an unforgettable summer of role modeling at some cost to yourself. Please complete the questions below to help us determine if you have what it takes to be a tribe sponsor for Summer 2021.

1. What do campers gain from their tribe affiliation?

2. Being a Sponsor means additional tribal responsibilities on top of your general counselor duties. How are you prepared to balance Sponsor duties while maintaining the highest standards in your cabin and activities?

3. What qualities and/or abilities set you apart from other applicants? Do you have any tribe leadership experience?

4. Why do you want to be a sponsor?

5. What is the most important contribution you expect to make to your tribe?

6. What tribe needs will challenge you the most?

7. Which experiences in your life have best prepared you for the role of sponsor?

8. Please give a brief description of what your other summer options were when you applied to camp instead.

Please attach a “camp resume” including the years and terms you have been at The Heart (and other camps), listing the significant experiences of each summer, and including any offices or other awards you attempted and what you achieved or didn’t achieve, including a description of how you responded to that experience.

Finally, please feel free to attach any additional statements/documents that may highlight your ability and/or passion to become a tribe sponsor – show us what you can bring to your tribe!
